SUMMARY

Information Systems & Technology student with hands-on experience in IT support, troubleshooting, Windows/macOS, Linux, AWS, and ticketing systems. Strong problem-solving and customer service skills. **CompTIA Security+** certified.

EDUCATION

Old Dominion University

B.S. Information Systems & Technology

Norfolk, VA

Expected May 2025

PROFESSIONAL EXPERIENCE

Old Dominion University

IT Student Help Desk

Norfolk, VA

Aug 2024 – Present

- Resolved 20+ student and faculty tickets per week using ServiceNow/Zendesk; documented solutions and prioritized urgent requests.
- Installed and maintained Windows/macOS workstations, application updates, and security patches.
- Ensured classroom technology (projectors, AV equipment, PCs) remained operational through troubleshooting and preventative checks.

Amazon Fulfillment

Problem Solver

Springfield, VA

May 2024 – Aug 2024

- Diagnosed issues with warehouse management systems (WMS), handheld scanners, and inventory devices to restore workflow.
- Corrected hardware/software problems impacting accuracy and productivity, reducing operational delays.

Best Buy

Geek Squad Agent

Springfield, VA

Dec 2021 – Jan 2023

- Provided technical support for desktops, laptops, mobile devices, printers, and home networking equipment.
- Performed diagnostics, repairs, and software troubleshooting (OS errors, application issues, malware).
- Guided customers through solutions and preventive best practices to avoid recurring issues.

PROJECTS & INVOLVEMENT

Financial Stock Analysis App (Apple)

- Developed a Python app that retrieves real-time and historical stock data from Yahoo Finance.
- Built a **Stock** class to track symbols, prices, and performance across yearly intervals.

Home Lab & Virtualization Practice

- Built a small VMware + Linux home lab to practice OS installation, user accounts, and server configuration.
- Documented troubleshooting steps for connectivity, permissions, and service restarts.

Developing Members of Color (DMOC)

Director of Membership, 2024 – Present

- Support peer development through mentorship, cultural programs, and leadership workshops.
- Help onboard new members and promote a welcoming community.

National Society of Black Engineers (NSBE)

Member, 2023 – Present
